"I'm just an old man who exercises & takes care of himself,"
says Internet sensation **CHUANDO**
(But what about his "crazy" eating habits?)

"Strange to be almost fifty, no?
I feel like I just understood how to be young."

“Is this night a failure because it will end in an hour?
Is the sun a failure because it's going to end in a billion years?”

“We are all curious, why does a man have a sewing needle?”

“You are too early to see the cherry blossoms.”

“Please, Mr. Less. If you could break the wall.”
Says the bravest person I know: “I can't.”
